### ABOUT FIDUCIAL

Fiducial is an international service provider for tax, financial and business services, serving small businesses, entrepreneurs and individuals. Fiducial consists of a network of business and tax advisors located in approximately 100 U.S. offices. This professional services network is supported by Fiducial Support Systems, which provides assistance in marketing, human resources, research and development, technical applications and other business areas.

Founded in 1970, the privately held company has annual revenues in excess of \$1.5 billion. Fiducial owns additional offices throughout France, Belgium and Switzerland.

### BUSINESS COUNSELING SERVICES

one source  
one shop  
one stop

# one SOURCE

We make your job easier by providing everything your business needs from one trusted source, backed with the strength and experience of the nation's largest network of professional advisors.

Many professionals offer routine accounting services. Some offer tax or payroll services. Others offer business counseling or financial services. Our full-service system brings you all the business services you need from a single source, simplifying the management of your entire business so you can concentrate on what you do best.

## BUSINESS COUNSELORS

Good ideas, and the right decisions at the right time — these are the keys to business success.

Our business counselors can assist you in analyzing your data and acquiring additional knowledge to make sound and profitable decisions. We provide you with everything to help you remain in control and achieve your business and personal goals.

# one FULL SERVICE COMPANY

## TRUSTED ADVISORS

We are a recognized leader in financial problem solving and, in fact, boast the nation's largest network of professional advisors. The heart of our philosophy is to establish trusting business relationships that last. We are your partner in the pursuit of your financial success, assisting and advising you in effectively, efficiently, and profitably managing your business.

## INDIVIDUAL ATTENTION

Your advisor will create an individual menu of services designed to identify, target and meet the specific operational and accounting needs of your unique business. We work with you to determine trends and uncover opportunities to raise revenue, lower costs and maximize your success. Our business and accounting services free you to grow your company and achieve your goals by allowing you to focus on your core operations.

## OUR NAME MEANS TRUST

In today's ever-changing economic environment, trusted advisors, experienced strategic thinkers, and value-added alliances are critical for business success. We build relationships based on professional expertise, customer service, and our knowledge base as the leader in small business counseling.

It's a "fiduciary" relationship — founded and held in trust and confidence — that keeps your financial success in mind at all times. Our solutions free you to concentrate on delivering the best product or service and the highest levels of customer satisfaction.

## COUNSELING BENEFITS

- **Business Planning:** A realistic and comprehensive business plan helps you meet the needs of investors, creditors, and management.
- **Business Risk:** Assessing and clarifying the implication of risks and how they affect your business and its operation is fundamental to the ongoing, successful operation of your company.

- **Business Valuation:** Accurate determination of your company's net worth is key to leveraging your equity for maximum profitability and return on your investment.
- **Compliance Issues:** It's practically a full-time job to stay ahead of the requirements of new tax laws and regulatory changes that can affect your business and its operations. Our experts make sure you are always up-to-date and understand your compliance issues.
- **Financial Statement Analysis:** Insightful data analysis and trend interpretation of your financial reports can help you to increase profitability and correct negative trends before they damage your bottom line.
- **Tax Planning:** Year-round tax advice and tax-saving strategies help you keep more of your money for profit and reinvestment.
